FUTURE PLANS...

Sprint 4

- Implement the Music Mode
- Neater web interface
- Implementing the Manual Mode -- RGB LED (instead of the normal LED we used for MVP)
- Being able to change the slider value to change the intensity of the light

Sprint 5

- Add more color choice on Manual/Light Mode
- Polishing up whatever we missed during Sprint 4
- Implementing the Alarm functionality (extra feature)

Communication

Within Team

- Discord
- WhatsApp
- Google Drive
- Face-to-face meetings

With TAs

- Zulip
- Jitsi
- Microsoft Teams

THANKS!
